

## Privacy Policy

Last updated: 20/06/2025

This Privacy Policy explains how we handle your data when you visit our website.

### 1. No Personal Data Collected

We do **not collect, store, or process** any personal data from visitors to our website. You can browse and use our site freely without providing any information.

### 2. No Cookies or Tracking

Our website does **not use cookies**, tracking technologies, or analytics tools. We do not monitor your behavior or store any information about your visit.

### 3. No Third-Party Services

We do not use third-party services (such as embedded videos, fonts, analytics, or ads) that might collect information about you.

### 4. Your Rights Under GDPR

Although we do not process personal data, we support the principles of the General Data Protection Regulation (GDPR).
